

I love listening to K-LOVE on 94.3 in the Chicago area. If you displace their broadcasting I would be so disappointed. I enjoy being able to listen to K-LOVE with my kids and not worrying that they will hear foul language or disgusting/inappropriate commercials. The service provided by K-LOVE is in the public interest because it has good music, encouraging words and pleasant conversation without any of the negative (nasty) language that so many other stations are airing. Please do not remove K-LOVE.
